

SUPPORT OUR PRINT ANNUAL

2010

a collection of essays and artworks presenting recent trends in regional visual art

Review's **2010 Print Annual** publication is a collection of several, long-form comprehensive essays by regional critics, addressing the quality of work produced by Kansas City-area-based and Midwestern artists, as well as trends in curating and art history as viewed through our local lens — placing them in a larger context that demonstrates Kansas City's growing cultural significance. Visibility in this annual edition offers donors a chance to show their support for Kansas City's visual arts community. To acknowledge a financial contribution, sponsors receive commensurate visibility in the printed publication and acknowledgement of support at our release party. Sponsors also are acknowledged in all published lists of Review's supporters. Sponsors are encouraged to explore additional creative ways to meet their marketing and philanthropic objectives through support of the **2010 Print Annual** Contact Review at artdirector@ereview.org.
